

Wee Off™ Stains & Odour Removal

Wee Off™

Wee Off™ Bio-Bacterial Stain & Odour Remover is a natural and revolutionary way of removing stains and odours from any hard and soft surface. Wee Off™ contains billions of specifically selected friendly bacteria that target and digest organic matter such as **urine**, vomit, faeces, blood, bodily fluids, wine, coffee, food, milk and sauce, eliminating the source of the problem rather than masking it. Wee Off™ is the product of choice for urine related cleaning problems.

Wee Off™ offers a safe, effective and environmentally friendly solution to most urine problems. If urine stains and odours are left untreated, it can be a breeding ground for harmful microorganisms. When using the Wee Off™, you are removing the source of the problem and leaving a clean, fresh and hygienic surface.

Ideal for

- Urine stain & odour remover
- Carpet & upholstery cleaning
- Domestic use
- Hospitality industry, hotels and motels
- Animal enclosures, pet shops
- Mattresses, couches and curtains cleaning
- Concrete, brick, wood, paving, tiles, urinals.
- Age care facilities and nursing homes
- Child care facilities and kindergartens
- Toilets & urinals

Directions for use

Wee Off™ is very easy to use and only small quantities are needed for optimum performance. By following the steps below you will rid yourself of even the toughest stains and smells.

1. Shake well before use and never dilute.
2. Always check for colourfastness.
3. Pick up solids and wipe up excess liquid.
4. **Dampen the offending area thoroughly with cold water.**
5. Spray Wee Off™ on the offending area.
6. Allow Wee Off™ to air dry. Do not rub or scrub the offending area.
7. Vacuum to remove any residual matter.
8. Repeated applications may be required for old stains.

INCLEAN 2015 INNOVATION AWARD
for most revolutionary in terms of delivering improved performance, productivity, safety and environmental sustainability.
