Diane Davidson NZ Cat Fancy

My prefix "Askari" was registered with the New Zealand Cat Fancy Inc (NZCF Inc.) in 1980 where Persians were my love, a few years later the Exotics came into my life. I am privileged to have had great success with showing Persians and Exotics, taking out many National Awards as well as the NZCF Inc. "Breeder's Awards of Merit" a coveted award in recognition of the work a breeder has put into a particular breed.

In the mid 1980's I was accepted onto the NZCF Inc Longhair Judges School, moving up through the ranks to become a Tutor Judge. I have always admired the beauty of the Shorthair breeds, so in 1995 I attended the Shorthair Judges School. My then Tutor ensured no stone was left unturned especially when it came to the differences between Long and Shorthaired breeds, also learning the best ways to handle each of the different breeds was equally as important in her. This is something I will always be grateful for as the welfare and security of each exhibit is of primary importance to me as a Judge.

I became a fully qualified All Breeds Judge and later a Tutor. My involvement with the NZCF Inc. has included being an All Breeds Tutor Judge involved in both Long and Shorthair schools, taking Handlers and Stewards Schools as well as supervising and mentoring new Judges coming up through the ranks, which I have thoroughly enjoyed over the years.

I've had the privilege of working alongside and being with many well respected Overseas Judges through the years. Like all breeders both in NZ and overseas we have had the interruption that COVID-9 brought into our lives making us all so aware of how precious life is and to treasure our freedom where we can enjoy getting together and carrying on with the hobby we all so enjoy and cherish.

I enjoy the challenge that judging brings especially with the many different breeds on the show bench now days and the changes in the standards between Countries and even Councils within Countries. It is important to keep up with the subtle changes that breeds go through over the years, when it comes to style and type. These days, what we see on the show bench is a more modern version of breeding, with health and the nature of each breed being a high priority for the concerned breeder.

Michelle Hinder FASA

My love of all animals, particularly horses and cats has led me to where I am today. We had cats growing up, and my first brush with my chosen breed, Burmese was a beautiful brown girl that 'worked' at a quarter horse stud where we showed our horses. Fast forward to my adult life, and I purchased our first cream Burmese in 2006. I knew nothing about standards or showing, but gave it a try, and was addicted. I registered my prefix Leewood in 2007 and began my breeding program, which has been very successful, producing many Supremes, from the Royal Adelaide Show to the CCCA National Show. One of my favourite girls is featured on the CCCA website as one of very few Burmese to achieve her CCCA National Show title. This year, 2019, my prefix won Group 3 Breeder of the Year, something I'm very proud of. I've worked in most aspects of our cat fancy, from clerking, to running shows, and began stewarding early on. I thoroughly enjoy stewarding, and if I'm not judging, you'll always find me in my white coat handling beautiful cats. In 2015 FASA ran a judging course, starting with Group 2, where I was qualified in 2017. I have since completed my Group 3 to be a qualified All Shorthair CCCA Judge. I've began my Group 1 training this year, with my ambition to be an All breeds Judge firmly in my sights. I currently serve on the FASA Management Committee, and Breeds and Standards sub committee, and am a member of several cat clubs in SA. The Cat Fancy is a passion of mine that I share with my kitten buyers, and I actively encourage new exhibitors to attend shows and participate in our lovely hobby.

In my 'other life' I help my husband run our horse training business WH Performance Horses, where we specialise in training elite reining horses and cow horses. My life revolves around animals, only the size of the pooper scooper varies

Shara McKay Cats NSW Inc

I have been owned by a Siamese cat my entire life and my Mother told me that my first word was "cat".

With this sort of upbringing, my love for felines was inevitable and in 1999, at the age of 12 I was allowed to have my own cat; a Lilac Point Siamese spay and my show career started. My involvement in cat shows has come a long way since that first show in October 1999.

In 2007 I registered my prefix 'Ayudha' and began breeding Siamese and now I have ventured out to breeding Siamese, Oriental, Devon Rex and even a Tonkinese litter. As an exhibitor I have had many successes with my Siamese and Orientals, winning several Best Group 2 Exhibits in show.

In 2009 I realised that just being an Exhibitor was not enough for me and became a Steward. Since then I have joined several Affiliate clubs and became part of numerous Show Committees in many different roles, experiencing Show Manager for the first time in 2014. In 2015 I completed my Shorthair Judges training and commenced training for Groups 2 and 3.

In June 2021 achieved one of my lifelong dreams and became an All Breeds Judge.

I have a Bachelor of Arts and Diploma of Education from Macquarie University and work as a History/English teacher in High School, my other passion.

I have always had cats, firstly moggies then my father bred Seal Point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, especially the Blue Burmese. When I settled down in Sydney I went in search of a Blue Burmese and ended up with a Lilac and Chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers. We moved out of the city to Moss Vale – we had space and time so I commenced breeding and showing in 1987 under the prefix Bima. I breed all colours of Burmese and love them all – my favourites are blue, red and blue tortie.

This led to stewarding which gave me a love of many other breeds and in 1994 I commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1. I have judged in most states of Australia as well as in New Zealand. I have been involved in clubs – club secretary, committee member and am currently President of the Burmese Cat Society of Australasia. I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows. In my other life I am a registered nurse and midwife and currently work in a neonatal nursery. I have experience in management, aged care, education, women's health, aboriginal health, community health and paediatrics. My other interests are gardening, patchwork and quilting.

I have always been surrounded by animals, with cats first entering my life at age 16 when a beautiful young cat gave birth to 5 kittens in a sack of concrete in my father's shed.

Two of those kittens stayed with our family, and having moved to the ACT some years later, I was again keen for feline company. I purchased a blue point Birman as a pet in 1992 and my journey in the Cat Fancy began.

Having tasted success in the household pet section of local shows, I obtained a chocolate point female Birman and joined the Majik prefix in 1993.

I have bred Birmans exclusively since that time, establishing the Biral prefix in 2002 and enjoyed success in the show ring, featuring in many Cat of the Year awards. I have held various Committee positions on the Birman Cat Club of Canberra for many years, and participated in all aspects of Managing and running cat shows for over 25 years, including the Royal Canberra Show.

I qualified as a Steward in 1993 and have had the pleasure of being invited to steward at several National Shows and the Sydney Easter Royal Show.

I undertook the role of Chief Steward at the ACF National Show in Sydney in 2018.

I joined Cats NSW in 2014 and am now seeking to qualify as a judge, starting with Group 1.

Jenny Weekes Cats NSW Inc

I have owned cats my entire life, starting with farm cats as a child. I purchased my first pet Birman in 1990 and my first breeding Birman in 1994. With my husband Greg we have bred Birmans in Canberra, Townsville, Wellington (NZ) on the Gold Coast and now at Murrumbateman. My first prefix – Kachin Was granted in Canberra in 1994 and my current prefix, Sunsoar, was granted in 1997.

We have achieved many major awards at specialist and All Breed shows including Birman Cat Fanciers Qld Supreme Exhibit 2010 and 2012 and two Best Group 1 desexed at the ACF National 2016.

Following my retirement from the RAAF and moving to the Gold Coast in 2006, I was able to commence training to become a judge with QFA and gained my Companion licence in 2007 with QFA, followed by a Group 1 (Longhair) licence in 2009. I became an All Breeds Judge in 2014. Greg and I are enjoying our life in Murrumbateman and share our home with our Birmans, Bees and Alpacas. Aside from my cat related activities I enjoy gardening, bee keeping, travelling and spending time with the grandchildren
