Margaret Steed GCCFV

I was destined to be a cat lover, both of my parents having had cats throughout their lives. I had a large black and white domestic through my childhood, who lived to 17. My first pedigreed cat was a dear little apple headed Siamese. I was so convinced that she was the most perfect cat ever that I took her to a cat show, and, with ego deflated, my learning process began. I was in awe of the ability of judges to assess each exhibit and my goal was set to become one of their ranks. Forty years later, and having shared my life with Siamese, Russians, Australian Mists and Somalis, breeding and showing their lovely kittens, I have also progressed through the various levels of show management to achieve my goal of being an All Breeds judge, and Tutor Judge. I have judged in all Australian States, and New Zealand.

I still find time to enjoy a varied life. My working life as an accountant closed in 2013, and I did not realise that retirement could be so time consuming and rewarding. My days are spent gardening, and enjoying the company of my cats. I have family and friends interstate to visit. I have been an Opera Australia subscriber for 35 years, am also subscriber to Australian Ballet, and enjoy most other types of music. My evenings are generally spent doing embroidery (cat designs, of course). I am also a very keen reader, particularly enjoying current affairs, history and biographies. I love my vegetable garden, and sharing its produce with neighbours. My mantra for life is "Learn something new every day".

Anne Harvey FCCQ

Anne qualified as a Group 1 judge with FCCQ in 2009. She began her judges training in Groups 2 and 3 in late 2009, and was licenced as an open Group 2 judge with FCCQ in 2011. She completed her shorthair training and became an approved All breeds Judge with FCCQ in 2012.

Cats have always been part of Anne's family; however it was not until 1999 that she discovered the cat fancy. Beginning in the year 2000, Anne began breeding and showing Maine Coons. She was one of the first to introduce the breed to Queensland, and among the first handful of Maine Coon breeders in Australia at that time. Anne concentrates on health, temperament and quality in her small breeding programme which has produced some successful show winners and Cat of the Year winners during that time, but more importantly has produced healthy well-balanced kittens who bring joy to their families.

Anne is committed to supporting and promoting the cat fancy, and has held a number of executive positions in cat clubs. She is currently the Secretary of the Siamese and Shorthair Cat Club of Qld Inc., and Secretary of the FCCQ Judges Guild. She assists with, and manages cat shows, and is an active member of the Feline Control Council of Queensland Inc.

Outside the world of cats, Anne works as a Senior Engineering Technician with a large international Engineering Consultant. She also enjoys reading and travel. Anne lives in Hervey Bay, a few hours drive north of Brisbane, but uses Brisbane as her base for judging and showing.

Cats NSW Inc. representatives and officiating judges reserve the right without prejudice, to expel any exhibit from the show that appears to be in ill health or condition (including the presence of external parasites). Such decisions are final.

All entries must be completed in full on the Cats NSW Show Entry and Benching Slip and the show entry summary sheet that form part of the show schedule. All completed entries must be forwarded to the address as nominated in the show schedule. The show committee reserves the right to reject any entry without explanation.

For each exhibit, a legible photocopy or electronic copy of its current Certificate of Registration must accompany the show entry. The Certificate of Registration must be in the name of the exhibitor and be issued by that person's governing body. Incomplete entries will be returned to the exhibitor. All exhibit's Certificates of Registration must be issued by the Governing Body to which the exhibitor is a member.

Female cats obviously in kitten will not be judged. No kitten under the age of 12 weeks will be allowed entry to the venue. The age of each exhibit will be calculated to be the actual age on the day of the show or the first day of a multi-day show. Lactating queens shall not be benched without their litters.

Each kitten exhibit must have had at least one Feline 3 vaccination not less than 14 days prior to the show. Documentary evidence i.e. a valid vaccination certificate from a Veterinarian must be produced to the veterinary officer. Failure to do so shall result in rejection of the exhibit concerned.

A Veterinarian will be present at all Cats NSW shows. All exhibits entered in show including those on exhibition must be examined by a Vet before being benched into the show cages.

The Veterinarian shall disqualify any exhibit, which in their opinion is showing symptoms of any contagious disease or not be in show condition. The Vet's decision is final. . If any exhibit is rejected because of an infectious or contagious disease they will disqualify all the other exhibits from the same cattery.

If a Vet is not present or has left the hall the Show Manager shall appoint two accredited stewards to check on exhibits and request the removal of any exhibit that is deemed not to be in show condition. All exhibits must have all their claws clipped prior to entry to the show hall and must be brought to the show confined in an appropriate container.

Exhibits cannot be removed from the Show or from the cage designated by the Show personnel without the consent of the Show Manager. All exhibits must remain in the venue until the conclusion of the show at the advertised time

If, at any time an exhibit shows itself to be difficult to handle or threatening, the Judge may call for the owner to remove the exhibit from its cage and place it on the Judge's table. The Judge will then decide if she/he wishes to judge that animal. This procedure protects your cat from any unnecessary handling. Should your exhibit be marked "Unable to be Judged" then it is automatically withdrawn from any other rings and cannot be shown again on the day. Should the judge consider the exhibit to be of poor temperament or in their opinion sufficiently difficult to handle, including excessively timid, the judge may withhold any awards at their discretion.

Poor sportsmanship will not be tolerated. The comfort of all exhibitors and judges is of paramount importance. One warning will be issued and if any further offences occur the exhibitor and their exhibits will be asked to leave the show.

An entrance fee may be payable by all members of the general public i.e. not an exhibitor or invited guest of Cats NSW Inc. If a member of the general public is deemed to be acting in a disruptive manner, that individual will be required by the Show Representative, to leave the show immediately. Cats NSW Inc. reserves the right to refuse entry to any member of the general public they feel may cause discomfort to their exhibitors.

Awards and prizes: All such cards, trophies placed on cages are the responsibility of the exhibitor and the Club regrets that it is not possible to replace any that may subsequently disappear from unattended cages. The Show Committee reserves the right to vary the prize list if necessary.

All complaints regarding a show must be submitted in writing and be accompanied by a fee of twenty dollars (\$20). All complaints must be in the hands of the Show Manager or Show Secretary within seven (7) days following the Show. Complaints regarding the running of a Show will be not be considered by Cats NSW unless lodged in accordance with this rule.
