### AWARDS

#### PERPETUAL TROPHIES

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time. The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS. The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Perpetual Trophies remain the property of Cats NSW Incorporated and the RAS of NSW. Ownership of the Trophy does not pass to the winning Exhibitor.

The annual winner's name will be engraved on the Trophy.

Anne Harvey – Ring 3 – TFA

Cats have always been part of Anne's family; however, it was not until 1999 that she discovered the cat fancy. Beginning in the year 2000, Anne began breeding and showing Maine Coons. She was one of the first to introduce the breed to Queensland, and among the first handful of Maine Coon breeders in Australia at that time. Anne concentrated on health, temperament and quality in her breeding programme which produced some successful show winners and Cat of the Year winners during that time, but more importantly produced healthy well-balanced kittens who bring joy to their families. Although no longer breeding, Anne enjoys the companionship of her retired Maine Coons.

Anne retired from work in 2015 which enables her to devote more time to the things she enjoys in life and to indulge her passion for travel. Anne recently moved from Hervey Bay in QLD to Evandale in Tasmania.
