Introducing our judges

Ring 1 Group 1 and Group 4

Crystal Maher Cats NSW Inc

I have been a cat lover for most of my life but have only been involved with the cat fancy for a relatively short amount of time. I started out breeding and showing Birmans in 2014. In 2016 I took up an opportunity to train as a Steward/Ring clerk with the Queensland Feline Association as a way of giving back at shows. I later started the Borderline Cat Club and have been the club President and Show Manager for a number of years. I started training as a Group 1 Judge with Cats NSW and have just recently qualified. This is an exciting new adventure and I'm looking forward to applying what I have learnt. Outside of the cat fancy, I keep busy lecturing at University and assisting my partner with his cabinet making business. I also teach faceting at my local gem club.

Ring 1 Group 2 including "pure" Siamese Speciality and Group 3

Bronwyn Townshend-Main NZCF

I am a senior NZCF sh judge and I live with 3 very spoilt burmese.

My first experience with cat shows was as a teenager when we owned a beautiful blue persian, and were (probably like many before us) encouraged by its breeder to enter a cat show. Since then I have been lucky enough to meet some great people and have had a lot of fun and enjoyment in a very interesting hobby that involves judging, competing, working at a show, or contributing as a club member.

Along with working full time, my other hobbies include collecting art, fashion design, and am also involved with other community based organisations.

Cat shows to me are all about seeing great cats, learning more about cats, and meeting interesting people (public or exhibitors) all of whom have some wonderful experiences to share; and it is my absolute privilege to be part of this.

Ring 2 All Breeds, ACF Award, Litters and Junior Handler

Wendy Hamilton Cats NSW Inc

My first purebred cat was a wonderful seal point Siamese but after a visit to a cat show I fell in love with the Burmese, purchased my first breeding girl and registered my Zarlee prefix the same year, while still a teenager. I exhibited and bred Burmese of all colours, winning Best in Show a number of times for 10 years, however it was during this time I saw my first Birman cat at Sydney Town Hall cat show and I was hooked!

So it was in 1982 that a seal point Birman joined my family, followed by a number of imports (UK, Sweden, NZ) for my passion of chocolate cats!

I achieved Best in Show awards with my Birmans both here and with exports.

It was during one of my trips to the continent that I discovered the beauty of the Fife Oriental.

In 2011 I added the most divine Hungarian bi-colour Oriental to my home and you guessed it, a chocolate and white. Then followed a beautiful Austrian black tabby and white Oriental girl plus a locally grown tabby point Siamese. I went full circle. All are now retired pets and much loved companions

I became a CCCA judge in 1999 (G1), G2 in 2003 and finished to All Breed in 2010. I am a Life member of the Birman Cat Club of Australasia Inc after serving as President and Show Manager for over a decade.

I have been an active Cat Fancy member, presented at many CCCA Judges Conferences, and Chaired a G1 Judges Training course for NSWCFCA, sat on Breed Standard Committees as well as an Association committee and President.

I consider myself fortunate to have judged around most of Australia and New Zealand as well as in France, Belgium and Netherlands. In this time I have been privileged to handle so many beautiful felines.

Ring 3 All Breeds

Troy Willems FCCV

Born and raised in Queensland, I have always been an avid animal lover, with a particular passion for cats. My childhood was filled with the joy of raising an array of pets, from dogs and cats to guinea pigs, birds, and even tropical fish. Our family pets were always lovingly adopted, regardless of breed, and they became cherished members of our household.

In 2005, my life took an exciting turn when I stumbled upon an article about Bengal cats. The concept of these domesticated hybrids with Asian Leopard Cat lineage instantly captivated me. Following extensive research, I knew I had to introduce these magnificent felines into my life. In early 2006, I joined the FCCV as a breeder, operating under the Voodoocatz prefix, and soon acquired my first breeding pair.

My journey into the world of cat shows began in late 2006, showcasing my first male. Although he was not suited for the show bench, I persevered and found success with my home-bred show cat, Voodoocatz Khanji. Khanji possessed the perfect temperament and thoroughly enjoyed every aspect of the show circuit, eventually achieving the prestigious titles of CCCA Champion and Emerald Grand Champion.

Alongside my involvement as a breeder and exhibitor, I delved into the world of cat stewardship with the FCCV, where I had the privilege of working with esteemed domestic and international judges. An exciting opportunity to undertake the Group 2 & 3 judge's courses presented itself, and I eagerly embraced the challenge. I successfully obtained my open judging license for Groups 2 & 3 in January 2017, and I relish the opportunity to evaluate short-haired cats at events nationwide.

During 2023 I took my judging knowledge to the next level to become an all breeds judge and successfully completed my Group 1 theory judging requirements. Once I successfully complete my Longhair Probationary status I will be able to continue my career as an All Breeds Judge across local, interstate, and international assignments.

My journey from a childhood surrounded by beloved family pets to a dedicated judge in the world of feline beauty and grace has been a remarkable and fulfilling one.

Junior Development Program

Our Vision

To achieve an increased participation by youth within the Cat Fancy.

Our Mission

To encourage youth to participate in elements and activities within the Cat Fancy that further enhance their appreciation for felines and feline inspired professions, and their understanding of tasks and roles associated within the Cat Fancy.

Our Goals

The program is open to all children aged eight to seventeen. Each participant will develop as an individual and will strive to increase their knowledge of felines and their care, and their awareness primarily of the Cats NSW but also the greater Cat Fancy around the World, putting them on a path of life-long learning.

Participants will be encouraged to learn about good sportsmanship, cat care, health and hygiene whilst working with cats, breed standards, grooming and presentation, and all aspects of being an exhibitor at a cat show thereby providing them with the tools to become a valuable asset in the promoting of responsible cat ownership, cat breeding and exhibiting cats.

By introducing young persons to the basic requirements for proper feline care, and the concepts of breeds and standards, as well as the qualities of sportsmanship and interacting with the general public, this program will provide the basis for a lifelong love of the cat and the enjoyment of the sport of showing purebred and companion cats.

To provide a safe, risk-free environment for both participants and felines to best be able to fully enjoy their experience within Cats NSW and the greater Cat Fancy both in Australia and throughout the World.

By regulating that it is a requirement for each and every participant to be accompanied by their parent/guardian during Junior Handler Assessment on Show Day, the program will provide an opportunity for developing family enjoyment of felines and the sport of showing purebred and companion cats.

To provide tutors/judges of exemplary character who are trained in many facets of the Cat Fancy and who hold a current Working with Children Check to best provide leadership and training to each and every participant.

To best ensure the success of our Junior Development Program we will aim to provide at each and every Cats NSW show the opportunity for participants to train and for assessments to be undertaken and completed through the avenue of a Junior Exhibitor Class. For more details, please view our Show Organisation and Procedures.
