

Application for Litter & Kitten registration

(Form Updated 10/8/2025)

Checklist

You must complete this checklist and include it with your application for litter & kitten registration to the registrar. If there are items missing or incomplete relevant to your application, your application will be returned to you unprocessed. You **Are required** to include all forms, relevant paperwork and complete this checklist in accordance with the Cats NSW Inc Code of Ethics for Registered Breeders, which is available on the Cats NSW website on the forms page under "our regulations and procedures" heading.

Please ensure that the order of the kittens listed on Part 2 of the form is **EXACTLY** the same as the order of the kittens listed on part 3 of the form, using the same name on both pages.

The checklist **MUST** be sent with the Litter & kitten registration form, your application will not be processed if this checklist is not signed and sent with the application.

- ☐ Registration of litter form
- ☐ Microchip number recorded for each kitten
- ☐ Desexing certificate if kittens are being registered as de-sexed
- ☐ Proof of payment
- ☐ Stud certificate (if required)
- ☐ Copy of stud pedigree if not on the Cats NSW database (if applicable) if you are unsure, please check with the Cats NSW registrar

I/we declare that I/we have included all information required for this application to be processed and understand that any missing or incomplete items will result in the application being returned to me/us.
